

EDUCATION

St. Olaf College | Northfield, MN

Expected Graduation: May 2027

Bachelor of Arts: Computer Science, Mathematics; GPA: 3.58

Honors: Dean's List, Honor's Day

Relevant Coursework: Introduction to Data Structures in C++, Software Design, Ethical Issues in Software Design, Hardware Design, Introduction to Cybersecurity, Theory of Computation, Analysis of Algorithms, Elementary Linear Algebra, Discrete Mathematical Reasoning, Real Analysis I, Real Analysis II, Multivariable Calculus

SKILLS

- Proficient in Python, Java, and C++
- Experienced in using version control systems like GitHub
- Friendly, amiable nature
- Flexible to different working environments
- Attuned to following rules and procedures
- Capable of making quick and well thought-out decisions
- Competent in self study to solve problems if necessary
- Well versed in communication and teamwork

RESEARCH AND PERSONAL PROJECTS

Query Instability and SMT Solver Performance | Mentored

Northfield, MN | May - Dec 2025

Research at St. Olaf College

- Introduced a new way of quantifying SMT solver instability not found in previous works
- Demonstrated the severity of instability in domains containing symbolic execution and bounded model checking queries
- Began the process of implementing machine learning to lower runtime and strengthen SMT solver performance

AI in Galleries, Libraries, Archives, and Museums | Personal Project

- Interviewed school specialists to gain local insight on St. Olaf's AI use in galleries and museums, archives, and libraries
- Reworked website to include interactive and engaging informational displays

EDUCATION-RELATED EXPERIENCES

After School Teacher | Youth Enrichment League

Northfield, MN | Sept 2024 - May 2026

- Organized classes for robotics, coding, chess, soccer, lego building, and other activities
- Promoted a safe and inviting classroom for elementary school students
- Prepared weekly engaging lesson plans that were adaptable to kids' needs
- Communicated with school and company management to ensure safety and satisfaction

Calculus I Grader | St. Olaf College

Northfield, MN | Jan 2025

- Graded assignments and provided feedback in a timely manner
- Communicated with students to ensure grades were up to date
- Worked with the professor to ensure expectations and deadlines were met

Academy of Math and Programming Attendee | Jane Street

Manhattan, NY | July - Aug 2023

- Explored math and computer science topics like combinatorics, number theory, and algorithms
- Enhanced teamwork capabilities by implementing pair programming procedures

CO-CURRICULAR EXPERIENCES

Costume Shop Worker | St. Olaf College

Northfield, MN | Sept 2023 - May 2026

- Assisted with clothing alteration and creation for dance recitals and theater productions
- Communicated with designer and other employees to effectively maintain costume schedule
- Managed costume shop to promote an organized and clean environment
- Learned and applied sewing skills, including both hand and machine sewing techniques

Dance Musician - Drummer | St. Olaf College

Northfield, MN | Feb - May 2025, Sept 2025 - May 2026

- Prompted communication between other musicians to ensure the best of quality music
- Studied and thoroughly practiced grooves for each type of dance to guarantee confident and genre-fitting percussion
- Sought advice from peers and leaders when guidance was needed
